

**REMARKS**

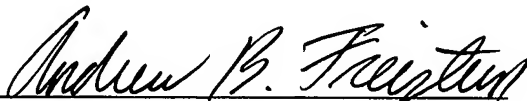

Further and favorable reconsideration is respectfully requested in view of the foregoing amendments and the following remarks.

By this Amendment, claim 1 has been amended to recite hydroxypropyl "methylcellulose", rather than hydroxypropyl "cellulose". Support for this amendment can be found at page 8, lines 18-22 of the specification.

In view of the remarks filed on April 13, 2009, and the foregoing amendments to claim 1, it is respectfully submitted that each of the grounds of rejection set forth by the Examiner has been overcome, and that the application is in condition for allowance. Such allowance is solicited.

Respectfully submitted,

Katsumi IHARA et al.
